Ref. No.:

FACILITIES AVAILABLE FOR WOMEN ON COLLEGE CAMPUS

The college promotes gender sensitivity by organizing programmes and activities for creating a safe, secure and healthy atmosphere on the campus. International Women's Day is observed on 8th March every year. On this day, on and off campus programmes are arranged to spread Gender sensitisation. Care is taken that in the formation of committees of the college, members from both genders are included as members. From the session 2020-2021, the college decided to endorse an *Annual gender sensitization action plan* every year.

Safety and security: The college has

1. Day and night security guard on the campus
2. Anti-ragging cell in place to look after any kind of ragging on the campus
3. Anti-sexual harassment cell to take care of any untoward gender-based incidents
4. An on-campus Girls' hostel with a designated Superintendent in it

Counselling: The college has a well-defined counselling system for students. Each teacher mentors a group of students. This improves student-mentor relations since students can directly approach their mentors for any problems they face. Besides accommodating a common room for girls, installing a sanitary vending machine in the Girls' hostel, the college has arrangements for a daycare centre for young children of the college staff.
