Subject: Restriction on Entry of Outsiders into the College Campus during BCSU Election 2026-27

This is to notify all students, teaching and non-teaching staff, and the general public that in view of the upcoming BCSU Election for the session 2026-27, strict security measures and access control protocols are being implemented across the college campus to ensure a peaceful, free, and fair election process.

Effective immediately, the following regulations regarding campus entry will be strictly enforced:

1. The entry of outsiders and unauthorised personnel into the college campus is strictly prohibited.
2. Outsiders visiting the campus for urgent or official administrative purposes may be permitted entry only after accurately recording their details in the Main Gate Register and obtaining express prior permission from the college authority.
3. There will be an absolute ban on the entry of any outsiders into the campus after 5:00 p.m. every day. This restriction will remain in force until the complete conclusion of the election process.
4. No outsider will be allowed to enter into the college campus under any circumstances on October 15, 2026, which is the scheduled date of the election.

The campus security personnel have been instructed to rigorously verify identity cards at the entry gates. All regular students are directed to carry and prominently display their valid College ID cards at all times while entering and residing within the campus premises.

The administration seeks the active cooperation of all students and stakeholders in maintaining discipline and harmony during this election period.
